

Requirement to self-isolate under the Emergency Powers (Coronavirus) (General Provisions) (Bailiwick of Guernsey) (No. 7) Regulations, 2020 ("the Regulations")

PART 1 – IMPORTANT INFORMATION

In light of the global COVID-19 pandemic, the Regulations require **every person arriving in the Bailiwick from anywhere in the world (except a Group C country) to self-isolate on arrival**, unless otherwise advised. The length of your self-isolation period will depend on whether you are eligible for the 7 day self-isolation option (based on which countries you have visited in the last 7 days) and whether you opt in for a test on day 7.

If you are eligible for the 7 day test option AND you opt in for a test on day 7, you will be required to self-isolate until you receive a negative test result. After you receive a negative test result, you will be subject to the conditions and restrictions ("passive follow-up", which have been provided to you separately) for the remainder of the 14 day period after your arrival in the Bailiwick: see date stamp on page 2.

If you are NOT eligible for the 7 day test option or do NOT opt in for a test on day 7, you will be required to self-isolate for a period of 14 days. Provided that you feel well and have no symptoms, you may leave self-isolation after completing your 14 day period of self-isolation after your arrival in the Bailiwick: see the date stamp on page 2.

Your self-isolation starts NOW. You should go straight to your place of self-isolation IMMEDIATELY. You must NOT stop at any shop or other premises which may bring you into contact with other people. You must TAKE ALL REASONABLE STEPS to avoid any contact with other people in your journey to your place of isolation.

If you do not self-isolate as required under the Regulations, you may be prosecuted and, if convicted, sentenced to pay a fine of up to £10,000.

If at any time during your isolation, you develop any symptoms such as fever, muscle ache, headache, loss of smell/taste, cough, sore throat or shortness of breath, call the Coronavirus helpline 01481 756938 or 01481 756969 IMMEDIATELY for advice and to arrange a test.

Please read the self-isolation guidance, along with the information sheet given to you on arrival. This information is also available on the website: <https://covid19.gov.gg/support/protect>.
