Guidance of what you must do in the following scenarios

COVID-19

What do I need to do to reduce the risk of COVID to the community?

COVID-19

What do I need to do to reduce the risk of COVID to the community?

3

I've been in contact with someone who might have been exposed to the virus, but who has not had a test or has had a test but this was negative

Follow the rules

Stay at Home

Avoid contact with people outside of your house, including going to the shops, for 14 days after contact, but you can have your two hours of exercise.

Contact the clinical helpline on 01481 756938 or 01481 756969 if symptoms develop

4

I've had no known exposure to COVID-19

Follow the rules

Stay at Home unless for one of the identified essential reasons
