Vaccination Data

Vaccines are delivered by different groups; In Guernsey, vaccines will primarily be delivered at the Community Vaccination Centre based at Beau Sejour, whilst some groups are delivered by Primary Care. In Alderney and Sark the vaccination programme is being delivered by the islands GP practices.

Time period	Number of doses given (all)	Doses given as a first dose	Doses given as a second dose
December 2020	968	968	0
Week 1 2021	701	440	261
Week 2 2021	2971	2713	258
Cumulative total	4640	4121	519

Cumulative total doses per 100 all-age Bailiwick population: 7.1

Helpline Data

There are two primary helpline numbers provided to the Public; The clinical helpline is staffed by JESCC and is used to triage members of the public with symptoms and put them forward for testing if they meet the pre-determined criteria. The non-clinical helpline takes general COVID queries and if needed can direct these onto the appropriate team.
