Date: 10 March 2021

A moment of silence

This week marks the one year anniversary of the first identified Covid-19 case in Guernsey.

To recognise this significant milestone the PEH Chaplaincy team are inviting islanders to join in a two minute time of reflection as we think about those who have died, those who have been unwell or are still unwell, and those who have suffered in other ways.

Reverend Linda Le Vasseur, Hospital Chaplain said:

‘Each of us will have our own experience of what this time has meant for to us and our families. We have all been affected by this virus and the restrictions that have been imposed to keep us all safe. An event is being held at the hospital for staff who wish to stop and reflect on this year on Friday 12 March at 11 am.

Whilst we cannot invite others to attend this event due to ongoing COVID-19 restrictions, if you are working at home, you may wish to stop and remember in your own way. Others, if they wish, may mark it in their workplace. ‘
