COVID-19 Bailiwick Blueprint

COVID-19 Bailiwick Blueprint

May - July

Vaccination Programme progress

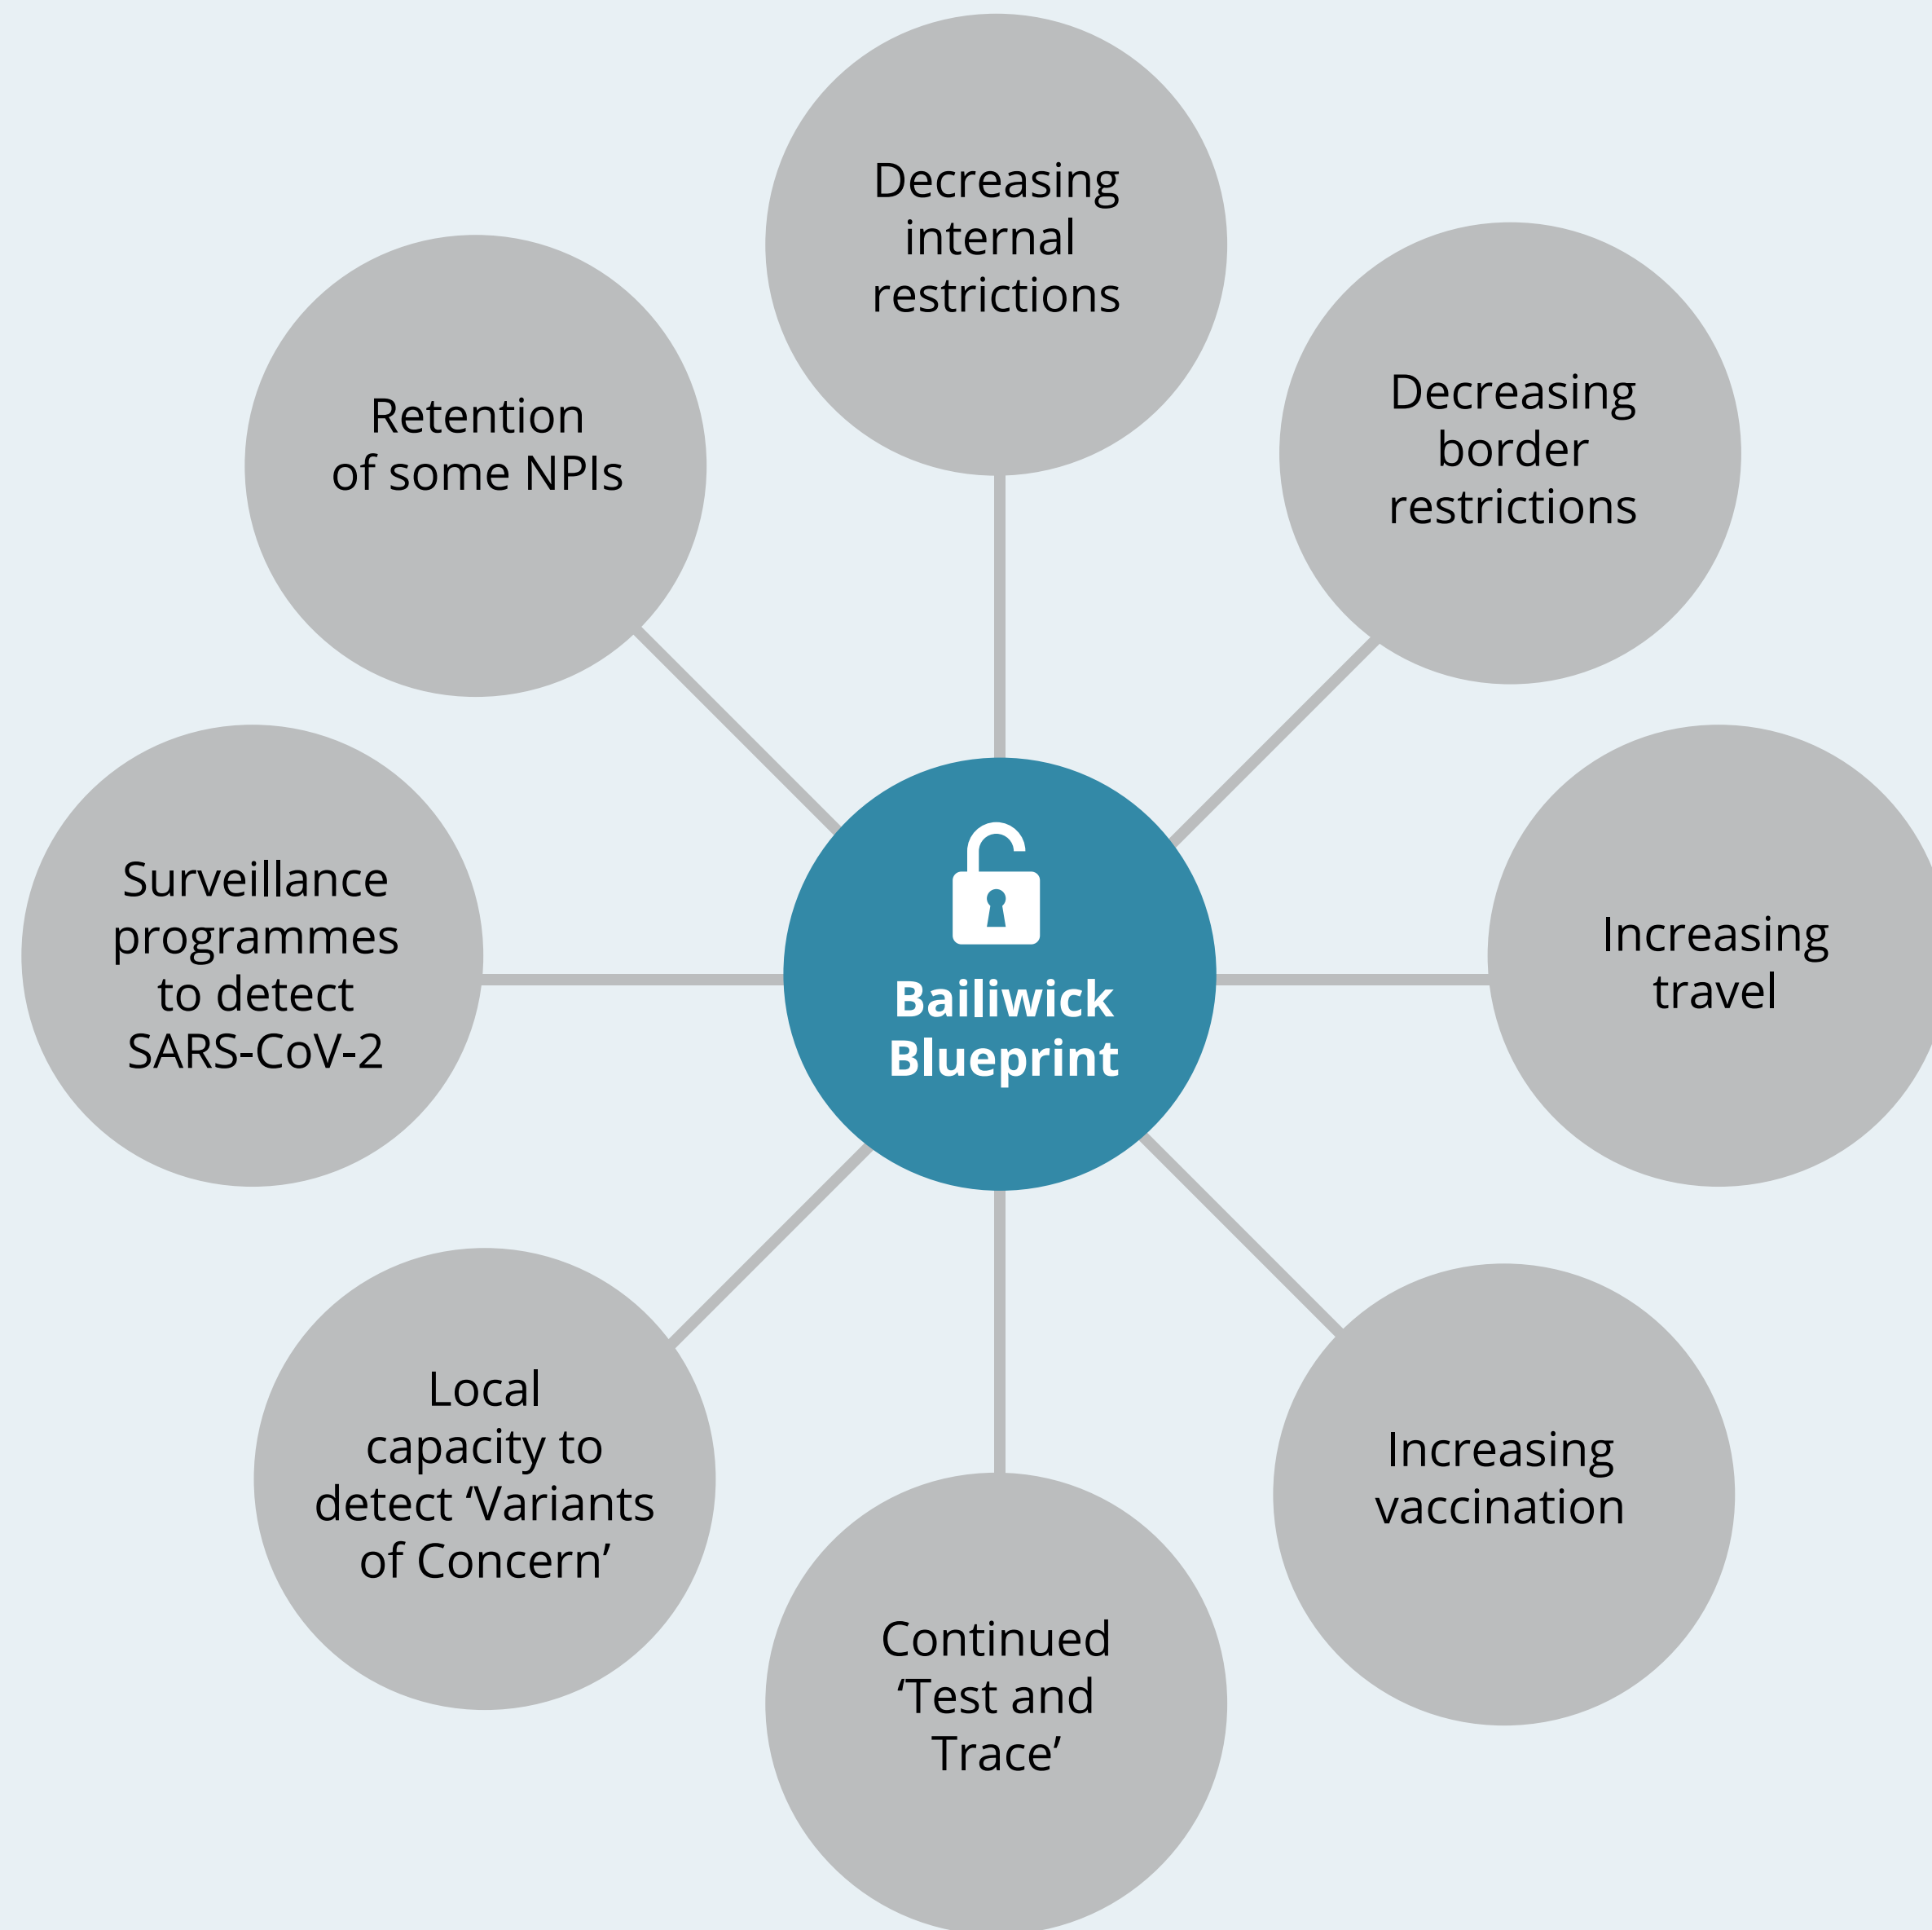

- ▶ Phase 1 of the vaccination programme complete
- ▶ Phase 2 of the vaccination programme starts and all eligible population have at least one dose of vaccine

1 July

Future Measures

- ▶ Borders to re-open completely with no country or regional variations
- ▶ Possible testing on arrival, dependent on concerns with regard to control and emergence of vaccine-resistant strains of the virus
- ▶ If required, and depending on external Public Health threats, this testing at the borders may be periodically implemented
- ▶ Possible use of travel passports as a condition of entry into the Bailiwick.

COVID-19 Key Inter- Dependencies

COVID-19 The Tipping Point: NPIs versus Vaccination

NPIs include, for example:

- Border controls
- School closures
- Lockdown measures
- Hand and respiratory hygiene
- Face coverings

COVID-19 Case Summary

22 January 2021
until present
