

Welcome to the beautiful Islands of Guernsey

We have waited a long time to see you, and are delighted you are visiting.

While we don't currently have any restrictions in place, we would be really grateful if you could work with us to keep our beautiful Islands as safe as possible while you are here.

When you are out and about...

Please respect people's personal space

Remember to keep washing / sanitising your hands

While it's not required, please do wear a face covering if you would prefer

What happens if I feel unwell while I am visiting?

If you begin to show any of the symptoms of COVID-19, please call the clinical helpline on 01481 756938 / 01481 75696.

You should also let reception / the contact at your accommodation know.

You must self-isolate in your accommodation until you are told you may leave. You will not be able to move to a different room within your accommodation – or move to another location.

If you are positive, Public Health Services will provide you with specific instructions regarding your testing and self-isolation requirements.

We understand if you, or a member of your party, does test positive, this will be a very challenging time.

We are here to help, please get in touch if there is anything you need.
