

Bailiwick of Guernsey

Residents and Visitors

Before you depart

Please make sure that you have filled in your Travel Tracker (covid19.gov.gg/guidance/travel/traveltracker) prior to arriving in to the Bailiwick. You can do this from 48 hours prior to travelling.

Please ensure you have a recognised proof of an MHRA or EMA approved vaccine, administered in the CTA, with the appropriate certification. It is strongly advised that you also bring the paper certificate. Blue appointment cards are not valid proof of vaccination. Find out what is accepted at covid19.gov.gg/guidance/vaccine/passports

Travellers from the Bailiwick of Jersey to the Bailiwick of Guernsey will be required to present a negative PCR test within the 48-hour period before travel. Any travellers not able to do so will be treated as Category 4 and will be required to self-isolate for 14 days.*

Wear a face covering while you are in transit.

Please arrange your onward travel from the Airport or Port prior to travel.

Double check you have not been outside of the Common Travel Area (CTA) in the 14 days prior to arriving into the Bailiwick.

* as per the decision on 19th July 2021. However, this will be kept under review. Read more at Gov.gg/coronavirus
